Rivals

Citizen Way

Do you feel like you're always fighting
In a war that you just can't win
So you quit before you even try
What if I said I've been there
And I'm proof there's victory
Over every darkness every lieWhen we look to the Son
Our battle's already won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivals
Greater is He that is in you
Than any power in this world
That's a promise money just can't buy
There's gonna be pain
There's gonna be trials
But lift your eyes up
Lift up your eyesWhen we look to the Son
Our battle's already won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivals
When we look to the Son
Our battle's already won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivalsWhatever you do
Don't fear nothing
Whatever you do
Just let Love let Love take controlWhatever you do
Don't fear nothing

Whatever you do
Just let Love let Love take controlWhen we look to the Son
Our battle's were won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivalsWhen we look to the Son
Our battle's already won
We've got no rivals
'Cuz He's got no rivals
No matter what comes our way
We know we'll be okay
We've got no rivals
'Cuz he's got no rivals
We've got no rivals
'Cuz he's got no rivals
Whatever you do
Don't fear nothing
Whatever you do
Just let Love let Love take control
