

# Summer of Rage

## Shooter Jennings

Chaos is hanging around -  
Put your ear to the ground  
and shudder from the sound. The death machine ain't slowing down -  
It's gaining pound for pound. A gas mask is a couture in the summer of rage.

They're building mass graves within the states -  
You and I they'll vaccinate.  
They're preparing us for an all-out  
police state. Hush, hush little child -  
your world is going wild.  
Can't trust nothing but the love in your momma's eyes.

Hush, hush little child -  
salvation's in your smile... Just wish I could be alive  
to see it beholden in her eyes. Our only weapon is total defiance.  
Let our love for our neighbors guide us.

Speak loud when they try to silence -  
Withhold when they try to fight us. Hush, hush little child  
your world is going wild.  
Can't trust nothing but the love in your momma's eyes.

Hush, hush little child -  
salvation's in your smile.  
Just wish I could be alive to see the whole thing in her eyes. Hush, hush little child  
your world is going wild.

Can't trust nothing but the love in your momma's eyes.  
Hush, hush little child -

salvation's in your smile. Just wish I could be alive to see that beholden in her eyes. (Spoken): "The question of how and why the United Nations is the crux of the great conspiracy to destroy the sovereignty of the United States and the enslavement of the American people within a U.N. one-world dictatorship is a complete and unknown mystery to the vast majority of the American people. The reason for this unawareness of the frightening danger to our country and to the entire free world is simple. The masterminds behind this great conspiracy have absolute control of all of our mass-communications media, especially television, the radio, the press, and Hollywood. We all know that our State Department, the Pentagon, and the White House have brazenly proclaimed that they have the right and the power to manage the news, to tell us not the truth but what they want us to believe. They have seized that power on orders from their masters of the great conspiracy and the objective is to brainwash the people into accepting the phony peace bait to transform the United States into an enslaved unit of the United Nations' one-world government."
