It's In Your Eyes

Pauletta Washington

It's in your eyes
I can see the love
You try to hide
It's in your eyes
I can feel the hurt
So deep insideWhen I look at you
I know your love for me is so true
We can build anything
No matter we wanna do
Let's build oh, this love
Foundation is strong
So open up your heart
And let your feeling fly awayIt's in your eyes
Don't hide
What's in your eyesWhen I hold you close
I know you're the one for me
You are all I need
To make my dreams come true
I see you comin' every night and every day
When I see you go away
Don't be afraid
Just keep holding onIt's in your eyes
Don't hide
What's in your eyesHold me
And never let me go
Feel Me
I Love you, yes I do
Take my hand
As long as we're together
I know our love is here to stayJust open up your heart
And let your feeling fly awayIt's in your eyes
I can see the love
You try to hide
It's in your eyes
I can feel the hurt
So deep inside
It's in your eyes
I can see the love
You try to hide
