Rippin Kittin

Ellen Allien

Mommy, can I go out and kill tonight?
I feel, I feel like taking a life.
Please, I want to seal the kitchen knife
and feel, feel like taking a life.

Rippin kittin kidding on the round
Rippin kittin kidding on the round

Daddy, can I go and haunt tonight
like you do on Sunday mornings.
Honey, give me a real gentle knife
to feel, feel like taking my life.

Rippin kittin kidding on the round
Rippin kittin kidding on the round
Rippin kittin kidding on the round
Rippin kittin kidding on the round

Mommy, can I go out and kill tonight?
I feel, I feel like taking a life.
Please, I want to seal the kitchen knife
and feel, feel like taking a life.

Rippin kittin kidding on the round etc.
Mommy, daddy, please let me go
Mommy, daddy, please let me go
