Crazy Face

Van Morrison

All the people were waiting for our Crazy Face
He said he'd meet them at his favorite place
Dressed in black satin, white linen and lace
His head held high, with a smile on his face
And he said, "Ladies and gentlemen the prince is late"
As he stood outside the church-yard gate
And polished up on his 38
And said, "I got it from Jesse James"
All the people were waiting for Crazy Face
He said he'd meet them at his favorite place
Dresses in a black satin, white linen and lace
With his head held high and a smile on his face
And he said, "Ladies and gentlemen, the prince is late"
As he stood outside the church-yard gate
And polished up on his 38
And said, "I got it from Jesse James"
