Vamos a La Playa

We Are Wolves

Let's go to the beach
I love to dance
the rhythm of the night
sounds of party

You Know we go
Where the feeling is right
You know we go
Where the groove is hot
You know we go
where the feeling is right

Let's go to the beach
I love to dance
the rhythm of the night
sounds of party

My friends, it's boiling hot!
it's Miranda the machine!
let's go to the beach, everybody!
let's go and enjoy, everybody!

dance, dance...

You Know we go
Where the feeling is right
You know we go
where the groove is hot
You know we go
Where the feeling is right

Let's go to the beach
I love to dance
the rhythm of the night
sounds of party
