

# A Little Bit of Green

Elvis Presley

Now that the truth is hard to face  
I can't forget you once were mine  
And someone else is in my place  
Whenever we meet my heart beats out of time Just a little bit of green  
Clouds my eyes to what I've seen  
Just a little bit of green  
When I see you with someone new  
And knowing that there's nothing I can do Please don't try to tie me down  
Those are the words you often say  
I can't help seeing you around  
You smile with surprise, I turn my eyes away Just a little bit of green  
Oh, clouds my eyes to what I've seen  
Just a little bit of green  
When I see you with someone new  
And knowing that there's nothing I can do Oh, oh, oh, oh, oh, oh, just a little bit of green  
Oh, oh, ho, clouds my eyes to what I've seen  
Just a little bit of green  
When I see you with someone new  
And knowing that there's nothing I can do Oh, oh, oh, oh, oh, oh, just a little bit of green  
Oh, clouds my eyes to what I've seen
