Lean On Me

Mitchel Musso

Lean on me, lean on meDont you ever give up on your dreams
No matter how hard things around you seem
You gotta keep your head on what you do today
Keep holdin on 'cause help is on the wayWhen outta the blue your buddies appear
Theyre like instant friends and their mission is clear
Keep workin together to make it all real
Its what youd been hopin all along youd feel
Well you can lean on meLean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody to lean onYou can lean on me to help you stand
You know Ill be right there, its part of the plan
Together today well get it done
At the end of the story the victory is wonNo matter how simple this might sound
Helpin someone else is where love is found
Just reach out your hand to show you care
The greatest gift is the one you share
Well you can lean on meLean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody to lean onJust call
Just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
We all need somebody to lean onJust call me, just call
Just call me, you know you can call
Just call me, just call
Just call me, woo!Oh oh, oh oh, lean on me
Lean on me, lean on me
Oh oh, oh oh, lean on me
Lean on meLean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody to lean onJust call me, just call
Just call me, you know you can call
Just call me, just call
Just call me
