Wicked People
Written by YahalomaWoo Woo Woo Woo Hey (Repeat)
Woo Woo Woo Woo Hey Hey
You're so WickedVerse 1
Let me warn you about some things
some things that I have seen
Revelation 22:11 states let the wicked
remain the same
Now I'm not saying they can't change
But let me tell you just one more thang
It's pointless to try and change someone
who wants to remain the same
come onChorus
ohhh ohhhh ohhh ohhhhh ohhh (Repeat)
Come on ohWicked people
Don't try to change nobody no
Wicked people
Mmm they so wicked
Woo Woo Woo Woo Hey (Repeat)
Woo Woo Woo Woo Hey Hey
You're so WickedVerse 2
It is a marvellous thang when you see someone
that's changed
But if you think it's because of you you're wrong
babe
They need the word, leave them alone
Else you throw your pearls to swine and
wind up dirt divine come onBridge
Ohhhh
why you do mean?
You already tried, listen to me now
go head and leave it lone
Just pray (Repeat)
Go ahead and leave it loneChorus
