Summer Breeze

Jason Mraz

Oh yea, summer breeze, all in my mind
Oh yea, summer breeze, all in my mind
No no no no, it's all in my mind
No no no no, it's all in my mindSummer breeze makes me feel fine
Blowing through the jasmine in my mind
Oh summer breeze makes me feel fine
Blowing through the jasmine in my mindSee the curtains hanging in the window
In the evening on a Friday night
A little light shining through the window
Lets me know every, everything's alrightOh summer, you make me feel fine
Blowing through the jasmine in my mind
Oh summer breeze makes me feel fine
Blowing through the jasmine in my mindSweet days of summer, the jasmine's in bloom
July is dressed up and playing her tune
When I come home from a hard day's work
And you're waiting there, not a care in the worldSee the smile awaiting in the kitchen
Food cooking on a plate for two
Feel the arms reaching out to hold me
In the evening when the day is throughSummer breeze makes me feel fine
Blowing through the jasmine in my mind
Oh summer makes me feel fine
Blowing through the jasmine in my mindOh summer breeze
