

Absolutely Not

Deborah Cox

Always waitin' for someone
To make me happy, pick me up
I realize that someone is me
What you call life, that ain't livin' Bless the child that's got his own
It's my season, now I stand alone
Just thought that I would let you know
Some things you just can't control Should I wear my hair in a ponytail?
Should I dress myself up in Chanel?
Do I measure me by what you think?
Absolutely not, absolutely not If I go to work in a mini-skirt
Am I givin' you the right to flirt?
I won't compromise my point of view
Absolutely not, absolutely not Told myself I won't complain
But some things have got to change
Not gon' be a victim of
All your social push and shove Right or wrong, you judge the same
My picture never fit your frame
What you thought, you'll never know
You can't see me with your mind closed Should I wear my hair in a ponytail?
Should I dress myself up in Chanel?
Do I measure me by what you think?
Absolutely not, absolutely not If I go to work in a mini-skirt
Am I givin' you the right to flirt?
I won't compromise my point of view
Absolutely not Now I see, that life means more to me
More than fancy clothes, more than you'll ever know
All the ugly words that I heard you say
Made me stronger everyday
Now I live my life for me Go to work in a mini-skirt
Am I givin' you the right to flirt?
I won't compromise my point of view
Absolutely, absolutely not Should I wear my hair in a ponytail?
Should I dress myself up in Chanel?
Do I measure me by what you think?
Absolutely not, absolutely not If I go to work in a mini-skirt
Am I givin' you the right to flirt?
I won't compromise my point of view
Absolutely not, absolutely not Should I wear my hair in a ponytail?
Should I dress myself up in Chanel?

Do I measure me by what you think?

Absolutely not All my ladies say

Oh, ooh

Woah, oh, ooh

All my people say

Oh, ooh

Woah, oh, ooh All my ladies say

Oh, ooh

Woah, oh, ooh

Everybody says

Oh, ooh

Woah, oh, ooh

Absolutely not
