Escape

Rush of Fools

Everybody crashes down
Sometimes
Everything comes falling down
Sometimes
I donâ€™t even know how,
Or know why

CHORUS
The thing I canâ€™t escape is You
The promise that You made is You will pull me through
Youâ€™re never far away no matter what I do
The thing I canâ€™t escape is You

At times I try to hide away
From Your eyes
At times Iâ€™m covered up in shame
From my lies
You sweep me into Your embrace
And I cry

CHORUS

Itâ€™s You
Your grace
Irresistible
Itâ€™s true, itâ€™s true
Your grace
Irresistible

CHORUS x2
