Somewhere With You

Kenny Chesney

If you're going out

With someone new

I'm going out

With someone tool won't feel sorry for me

I'm getting drunk

But I'd much rather be

Somewhere with youLaughing loud on a carnival ride, yeah

Driving around on a Saturday night

You made fun of me for singing my song

Got a hotel room just to turn you on You said pick me up at 3 a.m.

You're fighting with your mom again

And I'd go, I'd go, I'd go

Somewhere with you, yeahI won't sit

Outside your house

And wait for the lights

To go outCall up an ex

To rescue me

Climb in their bed when I'd much rather sleep

Somewhere with youLike we did on the beach last summer

When the rain came down and we took cover

Down in your car, out by the pier

You laid me down, whispered in my earI hate my life, hold on to me

Ah, if you ever decide to leave

Then I'll go, I'll goI can go out every night of the week

Can go home with anybody I meet

But it's just a temporary high

'Cause when I close my eyesI'm somewhere with you

Somewhere with youIf you see me

Out on the town

And it looks like

I'm burning it downYou won't ask

And I won't say

But in my heart I'm always

Somewhere with youLaughing loud on a carnival ride, yeah

Driving around on a Saturday night

You made fun of me for singing my song

Got a hotel room just to turn you on You said pick me up at 3 a.m.

You're fighting with your mom again

And I'd go, I'd go, I'd goI can go out every night of the week

Can go home with anybody I meet
But it's just a temporary high
'Cause when I close my eyesI'm somewhere with you
Somewhere with you
I'm somewhere with youSomewhere with you
Somewhere with you
Somewhere with you
