Dismembered and Molested

Cannibal Corpse

Sever the limbs
Decapitate
Yank out the teeth
Then masturbate
Pounding the face
Ejaculate
My darkest needs
I satiate
Bathe in blood
Wallow in bile
Tear out the heart
Victim defiledSever the limbs
Decapitate
Yank out the teeth
Then masturbate
Pounding the face
EjaculateEntrails slip through my fingers
As I sift through her innards
My body rigid with goose bumps
My erection growing stronger
I put my cock into the carcass
My climax can wait no longer
Expectorate my seed of hate
Onto her mutilated corpseSever the limbs
Decapitate
Yank out the teeth
Then masturbate
Pounding the face
Ejaculate
My darkest needs
I satiate
