Arsenium

I'm afraid I will never change
It's okay I am not ashamed
I can say that my bed is made
You can bend me, shape me any way You can bend me, shape me any way you want meI maintain, I am not in pain
How I try, not to place the blame
I came late to an early game
You can bend me, shape me any way
You can bend me, shape me any way
You can bend me, shape me any way
You can bend me, shape me any way you want meWhen I was five, I took a dive
When I was ten, I walked again
When I was fifteen, I kept my motor clean
When I was twenty, I got plentyWhen I was twenty-five...
When I was twenty-five...
