This Could All Be Yours

Guster

There's a message in the skies and in the streets
Opportunity, the Americany dream
It's in the radio, it's superstars
The arteries and veins that feed your heart
From the dairy queen to the head of the parade
In a blink, your life could changeThis could all be yours someday
This could all be yours someday
This could all be yours someday
This could all be yours, be yoursSomeday
(Oh, oh, oh, oh, oh, oh, oh, oh)
Someday
(Oh, oh, oh, oh, oh, oh, oh, oh)Someday
(Oh, oh, oh, oh, oh, oh, oh, oh)
Someday
(Oh, oh, oh, oh, oh, oh, oh, oh)You come as Elvis Presley every Halloween
And dream of sing-alongs the whole wide world will sing
Into the great unknown, Horatio
Desire and ambition fueled his heart
So take a breath and step into the light
Everything will be all rightThis could all be yours someday
This could all be yours someday
This could all be yours someday
This could all be yours, all yoursSomeday
(Oh, oh, oh, oh, oh, oh, oh, oh)
Someday
(Oh, oh, oh, oh, oh, oh, oh, oh)Someday
(Oh, oh, oh, oh, oh, oh, oh, oh)
Someday
(Oh, oh, oh, oh, oh, oh, oh, oh)This could all be yours someday
This could all be yours someday
This could all be yours someday
This could all be yours, all yoursSomeday
Someday
Someday
Someday
