

Give Me All Your Love (2018 Remaster)

Whitesnake

When I first saw you baby
You took my breath away
I knew your name was Trouble
But my heart got in the way
I couldn't stop myself from reaching out
I could not turn away I don't even know your name
I can't leave you alone
I'm running round in circles
Like a dog without a bone
I know the game you're playing
But baby I just can't let go So give me all your love tonight
Give me all your love tonight
I'll do anything you want
Just give me all of your loving tonight
I'll work hard everyday
To love and treat you right
I'll rock you in the morning
And roll you in the night
Any way you want
I'm gonna prove my love for you So give me all your love tonight
Give me all your love tonight
I'll do anything you want
Give me all of your loving tonight, tonight, tonight So give me all your love tonight
Give me all your love tonight
I'll do anything you want
Give me all of your loving tonight So give me all your love tonight
Give me all your love tonight
I'll do anything you want
Give me all of your loving tonight
I am blinded by your smile
And I'm crazy about your walk
I shiver and I shake
When I hear your baby talk
I'm a fool for your loving, babe
Give me all your loving tonight So give me all your love tonight
Give me all your love tonight
I'll do anything you want
Just give me all of your loving tonight
Anything you want from me So give me all your love tonight

Give me all your love tonight
I'll do anything you want
Give me all of your loving tonight, tonight, tonight, ha
