# Heaven

## K.d. Lang

Everyone is trying to get to the bar.
The name of the bar, the bar is called Heaven.
The band in Heaven, they play my favorite song.
They play it once again, play it all night long.

Heaven, Heaven is a place
A place where nothing, nothing ever happens.
Heaven, Heaven is a place
A place where nothing, nothing ever happens.

There is a party, everyone is there.
Everyone will leave at exactly the same time.
Its hard to imagine that nothing at all
Could be so exciting, could be so much fun.

Heaven, Heaven is a place
A place where nothing, nothing ever happens.
Heaven, Heaven is a place
A place where nothing, nothing ever happens.

When this kiss is over it will start again.
It will not be any different, it will be exactly
The same.
It's hard to imagine that nothing at all
Could be so exciting, could be this much fun.

Heaven, Heaven is a place
A place where nothing, nothing ever happens.
Heaven, Heaven is a place
A place where nothing, nothing ever happens.
