Heaven Help My Heart

Chess: The Musical

Two smiling faces
That's how it used to be
What once was forever
Now a faded memoryThe perfect illusion
For a while I guess it was
Without explanation
The bloom fell off the roseHeaven help my heart
'Cause it's a lot like me
Wondering when this all will end
And I find the love I needI know it's out there somewhere
Somehow I still believe
I'm asking please
Heaven help my heartThis world can get crazy
These are troubled times
I'd walk through fire
If love is what I'd findIt's out of my hands
So I put my faith in you
I say a little prayer
And hope that it comes trueHeaven help my heart
'Cause it's a lot like me
It's wondering when this all will end
And I find the love I needI know it's out there somewhere
Somehow I still believe
I'm asking please
Heaven help my heartHeaven, won't you help me
I'm asking please
Heaven, won't you help me
Give me your sun sign, some sign
Heaven, won't you help me
I can't go on like this no more, noI know it's out there somewhere
Somehow I still believe
I'm asking please
Heaven help my heartHelp my heart
Feel this pain inside
Give me one more try
I'm here waiting to see you baby
I believe you baby
Heaven, help my, help my heart
Help my heart

Won't you help me
Help my heart
