Home Is Where The Heart Is

Elvis Presley

Home is where the heart is and my heart is anywhere you are
Anywhere you are is home
I don't need a mansion on a hill that overlooks the sea
Anywhere you're with me is home
Maybe I'm a rolling stone who won't amount to much
But everything that I hold, dear is close enough to touch
Home is where the heart is, and my heart is anywhere you are
Anywhere you are is home, home, home, home, home, home
