

Satellite Of Love

Milla Jovovich

By lou reed
Satellite's gone
Up to the sky
Things like that drive me
Out of my mindI watched it for a little while
I love to watch things on tvSatellite of love (x2)Satellite's gone
Way up to mars
Soon it will be filled (baby)
With parking carsI watched it for a little while
I love to watch things on tvSatellite of love (repeat)Monday, tuesday, thursday, friday
Monday, tuesday, wednesday, friday (repeat)Satellite's gone
Up to the sky
Things like that drive me
Out of my mindI watched it for a little while
I love to watch things on tvSatellite of love (repeat)
