Tough All Over

Chris Carmack, Sam Palladio

Things are tough all over and I'm losin' badly
I wish you were still here and I said it sadly
But if you wanna come back 'cause you need a shoulder
Things are tough all overGuess I should count my blessings for the life I still have
In a world of misfortune that can happen so fast
Life size dominoes, one falls after another
Things are tough all overBaby, if you needed me, I'd of heard by now
Well, I hope you're not hurtin' on the other side of town
'Cause things are tough all over, things are tough all overWell, baby, if you needed me, I'd of heard by now
Well I hope you're not hurtin' on the other side of town'Cause things are tough all over and I'm losin' badly
I wish you were still here and I said it sadly
But if you wanna come back 'cause you need a shoulder
Things are tough all over, things are tough all over
The tings are thoughTough, things are tough
Yeah, things are tough
