# Make My Heart (Quentin Harris Vocal)

## Toni Braxton

You pull me close
I get this kind of reaction, yeah, everywhere
Can you feel my pulse?
My heart is beating faster, yeah, from this love affairAnd it would be only you talking in my ear
Your lips are so beautiful, ooh, I want them near
Your eyes, they undress me, they make me confess it
The things you make me do, guess now I'm outta controlAnd you make my heart
You make me dance, sweat out my hair, oh, oh, oh, oh
Go flying out, flippin' in the air, oh, oh, oh, ohYou make my heart
Get pumped enough, coming outta my clothes
You know you do it for me, yes, you do, oh, ohYou make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dumYou make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dumAdrenaline rush
You whisper I get sucked in here, oh look here
My heart bangs like drums
The sound of pure seduction, yeah, ooh, take me thereAnd it would be only you talking in my ear
Your lips are so beautiful, ooh, I want them near
Your eyes, they undress me, they make me confess it
The things you make me do, guess now I'm outta controlAnd you make my heart
You make me dance, sweat out my hair, oh, oh, oh, oh
Go flying out, flippin' in the air, oh, oh, oh, ohYou make my heart
Get pumped enough, coming outta my clothes
You know you do it for me, yes, you do, oh, ohYou make my heart
Da, da, dum, dum, dum
Da, da, dum, dum, dumYou make my heart
