Save Me

Cenotype

This is going to be one of those nights.
I already made the call, came home kinda tipsy feeling kinda lonely yeah, lets blame it on the alcohol.
This is going to be one of those things, we could never ever talk about,
Cause I swore to myself I would never give in but what else could I do with you in my house?

[CHORUS]
Why am I asking for trouble over and over again?
Why did I finally give in when I already know how this ends?
Can anybody come SAVE ME
Hold me down I'm danger to myself
SAVE ME
Slow me down before I need some help
SAVE ME
Can anybody see?
That I cant say no anymore someone come save me
Come save me, come save me, come save me, come save me.

This is ganna be one of those mornings, were both ganna wanna die,
The dirty little deeds that we shouldnt of done gunna play a repeat in the back of your mind.
You know I dont know why I do these naughty things I flirt with disaster drive a little faster??
Is anybody ever going to come save me?

[CHORUS]
Why am I asking for trouble over and over again,
Why did I finally give in when I already know how this ends?
Can anybody come SAVE ME
Hold me down I'm danger to myself
SAVE ME
Slow me down before I need some help
SAVE ME
Can anybody see?
That I cant say no anymore someone come save me
Come save me, come save me, come save me, come save me.

Hes on his way, down to my place
(Dont know why, dont know why, you know that I dont know whyy.)
Could this be a big mistake? (Dont know why, dont know why, you know that I dont know whyy.)
Cause I'm all outa time, and I'm lossing my mind
But I want it so bad,i decided to try.

But I'm in over my head, we couldnt get it to be, maybe I should have left all my dreams to my sleep.

[CHORUS]
Why am I asking for trouble over and over again,
Why did I finally give in when I already know how this ends?
Can anybody come SAVE ME
Hold me down I'm danger to myself
SAVE ME
Slow me down before I need some help
SAVE ME
Can anybody see?
That I cant say no anymore someone come save me
Come save me, come save me, come save me, come save me, come save me, come save me, come save me...
