Bad

8-Bit Universe

It feels just like it was yesterday,
We were in love, why's it falling apart?
I've never been one to walk away,
But I've had enough and it's breaking my heart
Cause you love me just the way that you should
It's nothing that you do, no, it's nothing you say ...
Yeah baby, I know that you're good
But I don't want a good girl, No, not today...
Cause I want it bad, I want a bad girl, baby, bad
I want a love that's crazy, yeah
I want a bad girl, baby, bad, I want it bad
I want a girl who stays out too late,
And when I call she doesn't answer the phone,
Oh, I want a girl who likes it her way,
And through it all, I know I'll end up alone
Yeahh, you love me just the way that you should
It's nothing that you do, No no, it's nothing you say,
Oh pretty baby, I know that you're good,
But I don't want a good girl, No, not today

Mmm...
Cause I want it bad, I want a bad girl, baby, bad
I want a love that's crazy, yeah
I wanna fight, I wanna rock and roll and party all night
Yeah, I want it bad, I want a bad girl, baby, bad I want it bad
I'm getting sick of predictable, tired of acting logical
Oh yeah, I gotta shake it up tonight
Yeah girl, I want something physical
Not something invincible, oh yeah
I'm tired of being good, let's be bad
I want a bad girl baby, bad
And I want a love that's crazy, yeah
I want a bad girl, baby, bad
I want a love that's crazy, yeah I wanna fight
I wanna rock and roll and party all night
Yeah, I want it bad I want a bad girl, baby, bad
I want a love that's crazy, yeah
I wanna fight, I wanna rock and roll and party all night
Yeah, I want it bad... Wow!
