You-ooh-ooh-ooh dont know-o-o and i-i-i don care-are-are
so o o so hard-ard-ard i know, its not fairGet with me, i'll change it up
like no one has before
Knock it down i'll pick it up
Put you on the floorOh, your love, is cool, but dont you knowEverbodys doin' it, (ah ah ah ah) you can feel it in the air
Everbodys doin' it, (ah ah ah ah) you can feel it in the air
Everybody

No-o-o one here-ere-ere with like-ike-ike your hairJust stay here, ill tare it up, like no one has before
Just like that, play it rough, i got you on the floor
Oh my heart, dont feel so bad, cuzEverbodys doin' it, (ah ah ah ah) you can feel it in the air
Everbodys doin' it, (ah ah ah ah) you can feel it in the air
Everybody(you-oo-oo dont know-o-o and i-i-i dont care)
Say it now
aaaaaaaaah
you-oo-oo dont know-o-o and i-i-i dont care
aaaaaaaaaaaaaaaaaaah
Everybody
(Watch out)Everbodys doin' it, (ah ah ah ah) you can feel it in the air
Everbodys doin' it, (ah ah ah ah) you can feel it in the air
Everybody(get down)Everbodys doin' it, (ah ah ah ah) you can feel it in the air
Everbodys doin' it, (ah ah ah ah) you can feel it in the air
Everybody
