Echoes

Sisyphos

echoes inna distance
telling stories of lives now lost
echoes inna distance
telling stories about terrible wars
echoes inna distance
created by falling stones
echoes inna distance
you better listen if you want to knowit is time for us
to be aware
of what is happening
stop closing our eyes
see reality for what it is
so much people around the world
keep on suffering
is it so hard for us
to give a little bit and sharewithout hope in their hearts
they walk
with the wind against them
they walk
dying people all around
but they walk
only destruction
but they keep on walking x2
echoes in the distance x2
