Believe

Rob Thomas

You better wake up
It's been a long, long time
You better watch out
They're gonna steal you blind
And it's a long way
No matter where you areWell so tell me, how we're gonna get that far?
Tell me, how we're gonna get that far?Wait, I don't think we can make it
Through this world without some
Faith when everything is falling
Through our hands we must believeYou better wake up
We're gonna go back home
They're gonna love you
When they see you all alone
You got a new face
With the same old scarsWell so tell me, how you're gonna get that far?
Tell me, how you're gonna get that far?
Oh, just tell me, how we're gonna get that far?
Tell me, how we're gonna get that far?Stop turning away, stop turning around
We must believe
