Hard to Be Normal

Tommy Page

Na, na, na, na, na, na, na, na, normal
Na, na, na, na, na, na, na, na, normalSomething's happening, happening here
Making all my logic disappear
I used to listen to what people say
Now, I'm living life my own way
Tear down all those defenses
Let's go forget, the consequencesIn this world it's hard to be
H-h-hard to be normal
Always been hard for me
Na, na, na, na, normalIn this world it's hard to be
H-h-hard to be normal
Close to you, hard for me
Na, na, na, na, normalWhen you whisper, whisper in my ear
I lose touch with little things like fear
I'll do anything, I'll go anywhere
I'll treat the rules, like they're not there
Tear down all those defenses
Let's go forget, the consequencesIn this world it's hard to be
H-h-hard to be normal
Always been hard for me
Na, na, na, na, normalIn this world it's hard to be
H-h-hard to be normal
Close to you, hard for me
Na, na, na, na, normalThe world can end in a blinding light
So who cares what we do tonight
The world can end in a blinding light
So who cares what we do tonightAre you normal? Who's normal, what's normal, who's normal?
Are you normal? Who's normal? Am I normal? Who's normal? OohIn this world it's hard to be
H-h-hard to be normal
Always been hard for me
Na, na, na, na, normalIn this world it's hard to be
H-h-hard to be normal
Close to you, hard for me
Na, na, na, na, normalThe world can end in a blinding light
So who cares what we do tonight
The world can end in a blinding light
So who cares what we do tonightAlways been hard for me
Na, na, na, na, normalIn this world it's hard to be
(Are you normal? Who's normal?)

H-h-hard to be normal
(What's normal, who's normal)Close to you, hard for me
(Are you normal? Who's normal?)
Na, na, na, na, normal
(Am I normal? Who's normal?)Na, na, na, na, na, na, na, na, normal
Na, na, na, na, na, na, na, na, normal
