

# Adventures in Paradise

Tucker Bradley

Ooh yea  
Ooo ooh yea  
Hmm hmm hmm hmm hmm We wanna be alone tonight  
(Hmm hmm)  
'Til early in the morning light  
(Hmm hmm)  
Out in the open you are here  
Adventures in paradise We wanna be alone tonight  
(Hmm hmm)  
'Til early in the morning light  
(Hmm hmm)  
Exploring what the nature brings  
Adventures in paradise  
(Adventures in paradise) Ohh ohh, give me what I need tonight  
Ohh ohh, you know what I want tonight  
Ohh ohh, give me what I need tonight  
Adventures in paradise We wanna be alone tonight  
(Hmm hmm)  
'Til early in the morning light  
(Hmm hmm)  
Exploring what the nature brings  
Adventures in paradise  
(Adventures in paradise) Ohh ohh, give me what I need tonight  
Ohh ohh, you know what I want tonight  
Ohh ohh, give me what I need tonight  
Adventures in paradise Ohh ohh, give me what I need tonight  
(Ohh ohh, ohh ohh)  
Ohh ohh, you know what I want tonight  
(Ohh ohh, ohh ohh)  
Ohh ohh, give me what I need tonight  
(Ohh ohh, ohh ohh)  
Adventures in paradise When the moon is at it's height  
And nobody is in sight  
We're hiding from the world, we used to like  
And all stories then be told  
Of what we did here tonight  
You will always be my number one Ohh ohh, give me what I need tonight  
Ohh ohh, you know what I want tonight  
Ohh ohh, give me what I need tonight

Adventures in paradise Ohh ohh, give me what I need tonight

(Give me what I need tonight)

Ohh ohh, you know what I want tonight

('Cause you know what I want tonight)

Ohh ohh give me what I need tonight

(Give me what I need tonight)

Adventures in paradise (Ohh ohh, ohh ohh, ohh ohh)

Give me what I need tonight

(Ohh ohh, ohh ohh, ohh ohh)

You know what I want tonight

(Ohh ohh, ohh ohh, ohh ohh)

Give me what I need tonight

(Ohh ohh, ohh ohh, ohh ohh)

Adventures in paradise (Ohh ohh, ohh ohh, ohh ohh)

Give me what I need tonight

(Give me what I need tonight)

(Ohh ohh, ohh ohh, ohh ohh)

'Cause you know what I want tonight

(You know what I want tonight)

(Ohh ohh, ohh ohh, ohh ohh)

Give me what I need tonight

(Give me what I need tonight)
