UFO

Micro Naps

I look like a UFO
Standing in the rain
And it feels like I'm going down
am I still the same
never gonna be again
beaten to i'm black and blue
can't get up again
and it feels like I'm going down
going downCHORUS
if I'm such a super hero,
why does it feel like my feet don't leave the ground
if I was a steam train flying
why do you stand in the way to slow me down
slow me downmy bills are overdue again
I know who's to blame
and I feel like skipping town
slowing down
no no no no no no x2REPEAT CHORUSla la la x11
(MORE la la las!)
slow me down x18
