In The Kingdom

Mazzy Star

I took that train into the city
You know, the one that goes under the bridge
I thought I was listening
To that pretty song that
Changed meHey, hey, hey
Hey, hey, heyWalked up the stairs
The sunlight hit my face
See all the people just standing 'round
If all is right in the kingdom tonight,
You know your place and * timeHey, hey, hey
Hey, hey, heyI took that train into the city
You know, the one that goes under the bridge
I thought I was listening
To this band play the song that
Changed meHey, hey, hey
Hey, hey, hey
