I'm Real (feat. Jennifer Lopez)

Ja Rule

Advisory - the following lyrics contain explicit language:

Murder inc
Whats my mother fucking name?
R-U-L-E
Blowing back on this Mary Jane I'm analyzing the game
(And the game don't chose me)
Bring pain to pussy niggas and pussy Holes they one in the same
(Ever since you told me)
There's only room for two, I been making less room for you
(Now only GOD can hold me)
Hug me, love me, judge me, the only man that hoves above me
Holla!I met so many men,
And it's like they're all the same
My appetite for lovin'
Is now my hunger pain!
And when I'm feeling sexy
Who's gonna come for me?
My only problem is,
Their insecurityAre you tired of bein' alone? (Yeah yeah)
Sick of arguin' on the phone (Yeah yeah)
Why you telling all ya friends (Yeah yeah)
But your nigga don't understand, my loveCause I'm real
The way you walk
The way you move
The way you talk
Cause I'm real
The way you stare
The way you look
Your style your hair
Cause I'm real
The way you smile
The way you smell
It drives me wild

Cause I'm real
And I can't go on without youI've been thinking 'bout this relationship
And I wanna know is this as good as it gets?
Cause we been through the worst times and the best times
But it was our time even if it was part-time
Now they been looking at me smiling at me
Laughing like we wasn't happy
But not knowing that we growin' and we gettin' married
Hard lovin' straight thuggin'
Baby I ain't doing this shit for nothin'
I'm here to get it poppin' and hoppin'
Lets ride out in the Benz, hair blowing in the wind,
Sun glistening off my skin
HEY! I'm nasty, you know me, but your still gonna fuck with ya babyCause I'm real
The way you walk
The way you move
The way you talk
Cause I'm real
The way you stare
The way you look
Your style your hair
Cause I'm real
The way you smile
The way you smell
It drives me wild
Cause I'm real
And I can't go on without youNow people lovin' me and hatin' me, treating me ungratefully,
But not knowin' that they ain't makin' or breakin' me
My life, I live it to the to the limit and I love it
Now I can breathe again baby now I can breathe again
Now people screaming "what the deal with you and so-and-so?"
I tell 'em niggas mind their biz but they dont hear me though
Cause I live life to the limit and I love it
Now I can breathe again, baby now I can breathe againAre you tired of being alone? (Yeah yeah)
Sick of arguin' on the phone? (Yeah yeah)
Why you telling all ya friends? (Yeah yeah)
But your nigga don't understand, my loveCause I'm real
The way you walk
The way you move
The way you talk
Cause I'm real
The way you stare
The way you look
Your style your hair
Cause I'm real

The way you smile
The way you smell
It drives me wild
Cause I'm real
And I can't go on without youCause I'm real
The way you walk
The way you move
The way you talk
Cause I'm real
The way you stare
The way you look
Your style your hair
Cause I'm real
The way you smile
The way you smell
It drives me wild
Cause I'm real
And I can't go on without you
