Power

The Tunesmith's Apprentice

Now that I'm a child of God
I'm not the man I used to be
Oh what a great change in me
Released my shackles, now I'm free
Gave me life eternally
Makes me do right when
I wanna do wrong
There's no more looking at my face
Filled with disgrace
Over what I've done
Thank you for your Son
You never turned away
From Mama when she prayed
Save our soul one day
And then he gave me
Power
To walk right
Power
To talk right
Power
To the live right
Power
Oh I'm all right, all right

No more looking back for me
I'm going to serve him faithfully
I'm going to give him all I have to give
For there's a world that needs to know
How much the Lord loves them so
And I'm going to tell it everywhere that I go
I'm going to stay on my feet
Lord help me please
To do your perfect will
Your purpose I must fill
I must preach your holy world
To those who never heard
Each and every hour
Because you gave me
Power

To walk right
Power
To talk right
Power
To the live right
Power
Oh I'm all right, all right
