# Falling Down

## Atreyu

You're always looking back
Runnin' from the past
You're always sweating me
About the next big heart attack
You're lookin' over your shoulder
Starin' down the pathI'm fallin' down
Fallin' down
Fallin' downIt's in your head
All the voices mistaken
Shake it off, shake it off
We're all dyin' in the endIt's in your head
All the voices mistaken
Shake it off, shake it off
We're all dyin' in the endI fear I'll find the evident
So horrible, so horrible
To clear my thoughts
I drill a hole into my skullClean up my brains
And sweep them underneath the rug
I need them more
Than I needed any other drugI'm fallin' down
Fallin' down
Fallin' downIt's in your head
All the voices mistaken
Shake it off, shake it off
We're all dyin' in the end
(Dyin in the end)It's in your head
All the voices mistaken
Shake it off, shake it off
We're all dyin' in the end
(Dyin in the end)
Dyin in the endHey, hey, hey, hey
Come onI'm fallin' down
Fallin' down
Fallin' downIt's in your head
All the voices mistaken
Shake it off, shake it off
We're all dyin' in the end
(Dyin in the end)It's in your head
All the voices mistaken

Shake it off, shake it off
We're all dyin' in the end
(Dyin in the end)
Dyin in the endHey, hey, shake it
