

Artangels

Grimes

Angel, baby, there is nothing I'd rather do
Than love you all over, I will never do
Everything I love becomes everything I do

So, tell me anything, anything you want
You're my darling girl, tell me what's on your mind
Tell me anything, anything you feel like
Anything you feel like

Je comprends
Je l'ai dit
C'est la vie
Oh Montrer l'âme, pull apart
Running every red light, you were right
Oh Montrer l'âme don't break my heart
I think I love you
I think I love you
I think I love you
I think I love you
I think I love you

Angel, baby, you got me feeling kinda blue
Think I need you and you know the things I would do
Everything I love is consolation after you

So, tell me anything, anything you like
You're my darling girl, tell me what's on your mind
Tell me anything, anything you feel like
Anything you feel like

Je comprends
Je l'ai dit
C'est la vie
Oh Montrer l'âme, pull apart
Running every red light, you were right
Oh Montrer l'âme don't break my heart
I think I love you
I think I love you
I think I love you
I think I love you

I think I love you

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh

I donâ€™t need your medicine

Gonna dance all night

Iâ€™m high on adrenaline

That's right, that's right, that's right

I donâ€™t need your medicine

Gonna dance all night

Iâ€™m high on adrenaline

That's right, that's right, that's right

That's right, that's right, that's right

That's right, that's right, that's right
