You and Whose Army?

Shane Nicholson

Come on, come on
You think you drive me crazy
Come on, come on
You and whose army?
You and your cronies
Come on, come on
Holy roman empire
Come on if you think
Come on if you think
You can take us all on
You can take us all onYou and whose army?
You and your cronies
You forget so easily
We ride tonight
We ride tonight
Ghost horses
Ghost horses
Ghost horses
We ride tonight
We ride tonight
Ghost horses
Ghost horses
Ghost horses.
