Dropped

Dieaway

I can swear I feel the beating of a cold, cold heart
Or there's a chill 'cause it's showing through your clothing
And as far as I can tell there's nothing underneath your V-neck tee
I'm begging, I'm begging, I'm begging you, please now
Tell me is that how you want me, tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me? Won't you take it easy?
Tell me 'cause I'd like to know
You're never gonna go
Dropped, whatcha got now?
Dropped, whatcha got now?
Everybody knows the way the eye goes
Moving like a curtain closes over the finale
From your head down to your toes
Up and down checking you out now beyond a doubt
Make a copy in the office for the desk with the windows
In the ivory dome, you've made it your home
See you in the sills, smiling ear to ear
Never gonna go
Do you want me? Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me? Won't you take it easy?
Tell me 'cause I'd like to know
You're never gonna go
Dropped, whatcha got now?
Dropped, whatcha got now?
Dropped, whatcha got now?
Tell me that you want me, tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me? Won't you take it easy?
Tell me 'cause I'd like to know
You're never gonna go
Dropped, whatcha got now?
Dropped, whatcha got now?
Dropped, whatcha got now?
Tell me that you want me, tell me that you need me
Tell me 'cause I'd like to know now
