

# Morning Dew

Ralph McTell

Dobson-Rose Walk me out in the morning dew, my honey  
Please walk me out in the morning dew, sometime  
Can't walk you out in no morning dew, I'm sorry, I'm sorry  
Can't walk you out in no morning dew. Thought I heard a young man cryin'  
Thought I heard a young man cryin' today  
You didn't hear no young man cryin'  
You did not hear no young man cryin'.  
Thought I heard a young girl cryin'  
Thought I heard a young girl cryin'  
You, you did not hear no young girl cryin', I'm sorry but you know it is true  
You did not hear no young man cryin'. Now there is no more morning dew  
Now there is no more morning dew  
What they've been saying all these god-darn' years has come true,  
I knew it would too.  
Now there's no more morning dew. Now there is no more morning dew at all, oh  
Now there is no more morning dew  
What they've been saying all these years has come true, you know and only you know  
That there's no more morning dew. Now, now there is no more morning dew, people  
You know that there's no more morning dew.  
Because, because, because what they've been saying all these years has come true  
You know, only you know that there's no more morning dew.  
Now, now there is no more morning dew  
People you know that there is no more morning dew  
Because, because what they've been saying all these years has come true  
You know that there's no more morning dew.
