While the End Is Coming

Acid Death

Within the thin light of every dawn
I see a future which I know I`ll miss
I see joy on faces of children and men
I hear all sounds even the snake`s hissBeyond the cell bars that keep me from you
Remorse is my heaven and fate so strong
And I repent for ever moreSoon I`ll be no more I think it`s for the best
I`ve done my deeds and wrong I`ll pay
But I see the dawnThis thought drives me mad but I wan to feel
For the last time how a free child laughsWithin dawn`s dim light I see forgiveness and serenity
A purple vain over my sins, but I pay mine and I`ll pay yours
Before my ending that frees you from me-remorse is
Remorse is my heaven and fate is so closed-oh so closedAnd I repent for ever moreStrange words-maybe make you feel
like this man out there, like the man
Who stands in the beginning of a tale, a tale which seems to be
As honest like a child`s kiss
