Time's Up

Burning Heads

Get outta bed and start to run,
Another morning ain't no fun.
Get outta bed and start to run,
Another morning ain't no fun.
Another morning, Nothing new,
But this is not what I wanna doGet outta bed and start to run,
Another morning ain't no fun.
Another morning, Nothing new,
But this is not what I wanna doNo this is not what I wanna do,
I'd rather stay in bed with you
