Have I the Right?

The Honeycombs

Have I the right to hold you
You know I've always told you
That we must never ever part, oh oh oh ohHave I the right to kiss you
You know I'll always miss you
I've loved you from the very startCome right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strongHave I the right to touch you
If I could you'd see how much you
Send those shivers running down my spine, oh ohHave I the right to thrill you
You know I'll wait until you
Give me the right to make you mineWell, Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong, oh yeah
All rightHave I the right to hold you
You know I've always told you
That we must never ever part, no, no, no, no, no, no.Have I the right to kiss you
You know I'll always miss you
I've loved you from the very startCome right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong, oh yeah, yeahCome right back I just can't bear it
I've got this love and I long to share it
Come right back right back where you belong, oh yeah
You belong, oh yeah, you belong
