Drive Like Pirates

Don DiLego

Oh, stand and deliver
Until the morning carries you home
Try our your patience
And keep your feet still, buried in the groundLast call, where we going to go?
Last call, before you
Show me the rising sun
Hold on until it's done
Look out and see yourself
And soon enough you'll know, know, knowScream out, and tell your stories
Until your voice can't, carry a song
Drive on drive, like a pirate
'Cause I've got a feeling, you've got a golden soul
Last call, where we going to go?
Last call, before you
Show me the rising sun
Hold on until it's done
Look out and see yourself
And soon enough you'll know, know, know
