Ginny

Muscadine Bloodline

Ginny
I know you don't miss me
But it don't come that easy
For me to move along
Memories
Of the last time you kissed me
Has got me drownin' in the whiskey
Bartender keep em comin' strongI wish you woulda let me down slow
So I could just let you go
Girl I just want you to know
I feel like you're doin' me wrong
Wish I woulda read all the signs
Like when your smile lost it's shine
I ain't got much to call mine
Now that you're gone
Ginny
When I strum on my six-string
I can still feel your heartbeat
Playin' these songs about you, ohI wish you woulda let me down slow
So I could just let you go
Girl I just want you to know
I feel like you're doin' me wrong
Wish I woulda read all the signs
Like when your smile lost it's shine
I ain't got much to call mine
Whoah, now that you're gone, whoahOh,???? way I keep getting
'Cause Ginny I ain't over you
So I just sit here and have me a few
And I realize
Wish you woulda let me down slow
So I could just let you go
Girl I just want you to know
I feel like you're doin' me wrong
Wish I woulda read all the signs
Like when your smile lost it's shine
I ain't got much to call mine
Oh, now that you're gone
