Coconut

Safari Sound Band

Brother bought a coconut, he bought it for a dame
He said to hide another one, she paid him for the lime
She put the lime in the coconut, she drank 'em both up
She put the lime in the coconut, she drank 'em both up
She put the lime in the coconut
She called her doctor, woke him up
She said, "Doctor, ain't there nothing I can take?"
She said, "Doctor, to relieve this belly ache"
She said, "Doctor, ain't there nothing I can take?"
She said, "Doctor, to relieve this belly ache"
Now let me get this straight
Put the lime in the coconut, you drank 'em both up
Put the lime in the coconut, you drank 'em both up
Put the lime in the coconut, you drank 'em both up
Put the lime in the coconut, you called your doctor, woke him up
You said, "Doctor, is there nothing I can take?"
You say, "Doctor, to relieve this belly ache"
You say, "Doctor, ain't there nothing I can take?"
You say, "Doctor, to relieve this belly ache now"
Ooh, ooh, ooh, ooh
You put the lime in the coconut and you drink 'em both together
Put the lime in the coconut and then you feel better
Put the lime in the coconut and drink 'em both up
Put the lime in the coconut, you're such a silly woman
Doctor, ain't there nothing I can take?
I said, "Doctor, to relieve my belly ache"
I said, "Doctor, ain't there nothing I can take?"
I said, "Doctor, to relieve my belly ache, doctor"
She put the lime in the coconut and drank it all up
Put the lime in the coconut and drank 'em both up
You put the lime in the coconut, you drink 'em both together
Put the lime in the coconut and then you feel better

Put the lime in the coconut, drink 'em both up
(Doctor)
Put the lime in the coconut and call me in the morning
(Doctor)
Put the lime in the coconut, you drink 'em both together
(Doctor)

Put the lime in the coconut and then you feel better
(Doctor)
Put the lime in the coconut and drink 'em both up
(Doctor)
Put the lime in the coconut and call me in the morning
(Doctor)
Doctor, doctor
You're such a silly woman
Put the lime in the coconut and drink 'em both together
Put the lime in the coconut and you feel better
Put the lime in the coconut, drink 'em both up
Put the lime in the coconut and call me in the morning
Mister, call me in the morning
You call me in the morning, I'll tell you what to do
Call me in the morning, I'll tell you what to do
Call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
Yes, you call me in the morning, I'll tell you what to do
