My Girls(yus remix)

Animal Collective

There isn't much that I feel I'd need
A solid soul and the blood I bleed
But with a little girl, and by my spouse
I only want a proper houseThere isn't much that I feel I'd need
A solid soul and the blood I bleed
But with a little girl, and by my spouse
I only want a proper houseThere isn't much that I feel I'd need
A solid soul and the blood I bleed
But with a little girl, and by my spouse
I only want a proper houseThere isn't much that I feel I'd need
A solid soul and the blood I bleed
But with a little girl, and by my spouse
I only want a proper houseI don't care for fancy things
Or to take part in the freshest wave
But to provide for mine who ask
I will with heart on my father's graveI don't care for fancy things
Or to take part in the freshest wave
But to provide for mine who ask
I will with heart on my father's graveOn my father's grave, on my father's grave
On my father's grave, on my father's grave
On my father's grave, on my father's grave
On my father's grave, on my father's graveI don't mean to seem like I care about material things
Like a social status
I just want four walls and adobe slabs for my girlsI don't mean to seem like I care about material things
Like a social status
I just want four walls and adobe slabs for my girlsThere isn't much that I feel I'd need
A solid soul and the blood I bleed
But with a little girl, and by my spouse
I only want a proper houseI don't care for fancy things
Or to take part in the freshest wave
But to provide for mine who ask
I will with heart on my father's graveOn my father's grave, on my father's grave
On my father's grave, on my father's grave
On my father's grave, on my father's grave
On my father's grave, on my father's graveI don't mean to seem like I care about material things
Like a social status
I just want four walls and adobe slabs for my girlsI don't mean to seem like I care about material things
Like a social status
I just want four walls and adobe slabs for my girlsI don't mean to seem like I care about material things

Like our social status
I just want four walls and adobe slabs for my girlsI don't mean to seem like I care about material things
Like our social status
I just want four walls and adobe slabs for my girls
