Dance D'amour

The 69 Eyes

Your lips shine like Paris
Mon amour
A toi toujours
Ma chrie
But your tears bring a little London for me
Berlin can never be so cold as you reachBaby,won't you dance with me into the night
to the serious moonlight
Brighter than the stars above you shine
And the loving*love* feels alrightGive me the moment that the world won't need
Ce soir
Tu es moi
Ma chrie
But your fears ain't no strangers for me
Morning can never be so cold as you leaveBaby,won't you dance with me into the night
to the serious moonlight
Brighter than the stars above you shine
And the loving love feels alright(3x)
Dance with me into the night
to the serious moonlight
Brighter than the stars above you shine
And the loving love feels alrightWon't you run away...
Won't you run away...
Wont you...
Wont you run away!
