

See You All In Hell or New Orleans

Dax Riggs

I'll see you all in hell or new orleans
I wanna listen to the rain
be a stranger on that train
ah ah ahhh And when our hearts are drunk with song
we cry
like we're bout to die or just be born
ah ah ahhh christ divine like a frankenstein
let the moon move about
when the say you see death white
I'll see you all in hell or new orleans
I wanna listen to the rain
be a stranger on that train
ah ah ahhh
