

# Forever Love

## Taio Cruz

Should we say go?  
Should we say stay?  
Do we stand tall?  
Or do we fade away?  
Do we keep on?  
Or Do we fall down?  
I won't say goodbye  
I won't say that now  
(I'll keep loving you forever  
Because I swore I would  
You know my word is good) [x2]  
Love you  
(Forever and ever love you) [x8]

Should we say go?  
Should we say stay?  
Do we stand tall?  
Or do we fade away?  
Do we keep on?  
Or Do we fall down?  
I won't say goodbye  
I won't say that now  
(I'll keep loving you forever  
Because I swore I would  
You know my word is good) [x3]  
Love
