

# Any Other Way

Melissa Etheridge

Here you come again, you say that you're my friend  
But I know why you're here; she wants to know how I feel  
Well, you can, tell her that I'm happy, tell her that I'm okay  
Tell her I won't have it, any other way People have been talking, since we've been apart  
When I pass I hear them whisper, there he goes with a broken heart  
But when she ask about me, here is what you say  
Tell her I wouldn't have it, any other way That's all I have to say, my friend, now I think we better say goodbye  
I think you'd better go right now, or you might see me cry  
But when you see my baby, here is what you say  
Tell her I wouldn't have it, any other way I wouldn't have it  
No, no, no, no, no, no  
Any other way  
I can't have it any other way, baby People have been talking, since we've been apart  
When I pass I hear them whisper, there he goes with a broken heart  
But when she ask about me, here is what you say  
Tell her I wouldn't have it, any other way That's all I have to say, my friend, now I think we better say goodbye  
I think you'd better go right now, or you might see me cry  
But when you see my baby, here is what you say  
Tell her I wouldn't have it, any other way I wouldn't have it  
No, no, no, no, no, no  
Any other way  
I can't have it any other way, baby
